

Wolverine Football

Dear Prospective Wolverine Football Player,

The countdown is on- summer is winding down, that means **Wolverine Football is almost here!** The coaching staff and I can't wait to kick off another exciting season and welcome both returning players and new faces to the team.

Our varsity and JV schedules are set, and we're looking forward to an incredible season. If you've ever thought about playing football, now is the time to step onto the field! Whether you're a seasoned player or have never worn a helmet before, we want you to join us. Our coaches take pride in helping every athlete develop the skills and confidence needed to be ready when the first game arrives.

Football offers an experience unlike any sport. It challenges you physically and mentally, teaches teamwork, discipline, and perseverance, and creates friendships that last a lifetime. What makes Wolverine Football even more special is that we bring athletes from two schools together to compete as **one team, one family, with one goal.**

The first day of practice: **Tuesday, August 4th at 4:00 p.m. in White Lake.**

- Equipment will be handed out at this practice
- Players riding the bus from Elcho to White Lake should be at the school by 3:15 p.m.
- All required paperwork must be turned in, including a valid physical, to be able to participate in practice
- **Students will take their concussion tests, receive practice schedules/season calendar during the code meeting on July 27th at 5:00 p.m.**
- Come to the first practice in proper clothing such as shorts, shirts, and proper footwear.

This is the start of something special, and we hope you'll be a part of it. We're excited to get back to work, compete together, and make this another unforgettable Wolverine Football season.

Coach Mike Albin
