

School Event Parking

All persons attending an event should park in the lots between Dorr St and Elmo St. They are labeled "LOT A" or "LOT B" on the map below. There are limited parking slots on the one-way section of Owano Street. Visitors should be careful not to violate those marked as handicap or the temptation to create their own parking spots on that street. Access to the school will only be through the main entrance located on Owano Street on the south side of the school building. Visitors should also note that there is no parking on Minola Street.
