

# Wolverine Football

Dear Prospective Wolverine Football Player,

Summer is coming to an end, and it is almost time for "WOLVERINE FOOTBALL". The coaches and I are anxiously awaiting your arrival. We have a full Varsity schedule and working very hard to get a full JV schedule.

We want and encourage anybody that is able to play to come out and give it a try. The coaches excel at making sure that even the most inexperienced players are ready by the first game. The experience of playing football is something that is truly unique and cannot get from playing any other sport. We are even more unique in the fact that we bring two schools together to make one team.

The first day of practice (equipment handout) will be Tuesday August 13th. We will meet in White Lake at 8:00 a.m. The bus will leave Elcho at 7:15 a.m. Please make sure that all paper work has been completed by this time (physicals). In the years past this first practice was for handing out equipment and testing. Bring workout gear like shorts and running shoes. Calendars will be handed out on that first day. We're looking forward to seeing all of you and another awesome season.
